

**ENDEAVOUR ELEMENTARY PTA DONATION FORM  
2009-2010**

This year's enrichment programs will be funded through a combination of donations, product-based and event fundraising. The donation only-system of the past two years has worked well but we need to augment it this year with traditional types of fundraising. Therefore, we ask that you consider making a donation in addition to supporting the other fundraising programs. The suggested donation is \$100 per child. Please note that this is only a suggested amount, and contributions in any amount are greatly appreciated!

Most large companies and many smaller companies will match their employees' charitable contributions, generally on a 1:1 basis. These "company matches" are an important source of our funding. Do you work for any of the following companies: **Amgen, Boeing, Microsoft, Oracle, Safeco?** If YES, please circle company as these companies may have a company match program.

If NO, please select one of the following:

I am certain that my company does not provide matches to charitable contributions.

I am not sure about this, but I will look into it and get back to you.

I am not sure about this, but I give permission for the PTA treasurer to look into this for me.
